- 4 ends played of 4 rocks each. Prior to game 1 only, 2 practice throws each. The first rock thrown per end cannot be eliminated from play by the next stone, even if in the house – replaced as in free guard zone rules.
- Pools of 4 players – Game 1 card draw pick for opponents, game 2 winners play winners, runners up play runners up.
- Snacks between games – 30 or 60 minutes between games as we will stagger pools – low time commitment to the day for these younger players.
- All competitors receive a medal – “Gold” for winning both, “Silver” for winning 1, “Bronze” for coming to compete. Medals distributed through the day as the pool events finish.
