## BACKGROUND

Welcome to the instructions on how to register online as a member of the City View Curling Club. This guide will walk you through the screens and options you need to complete your membership registration.

### CHANGES TO REGISTRATION FOR THE 2025-26 SEASON

#### Discount for Early Registration

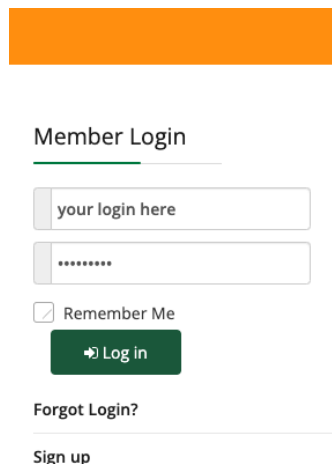

If you register by 8:00 pm on May 29, 2025 and pay at least the membership portion of your fees you will receive a \$25 discount – Total owed is **\$265.55**. (\$260 membership fee minus \$25 registration discount plus \$30.55 HST). This discount does not apply to Youth members.

#### \$50 Late Fee

If your fees are not paid in full by 6:00 pm September 15, 2025, you will be charged a \$50 late fee. This allows for payment of all fees 2 weeks prior to the start of the league curling season on 29 September 2025. The late fee does not apply where a member was registered and paid in full and subsequently added an additional league to their membership.

## STEP 3: Select League(s) You Wish to Join

Depending on your selection from STEP 2, you will be redirected to a League selection page.

Other noteworthy comments:

- (1) The leagues that you can register for are displayed based on the gender that you identified in STEP 1 and/or the membership type you selected in STEP 2. For example, if you are registering as a **Regular Member** and indicated your gender as **Male**, then the **Day Ladies** and **Monday Evening Ladies** leagues will not be displayed, but you will see the **Day Mens** league
- (2) If a particular league registration is FULL, it will be displayed with a comment of **LIMIT REACHED** next to it and you will not be able to register for that league.
- (3) If you are the 5<sup>th</sup> or 6<sup>th</sup> player on a fixed team, you should not register for that league. Contact the league convenor to be added to a team.
- (4) If you chose the **Youth** membership type in STEP 2, we currently have two league selections – Fall and Winter. Select one in order to proceed to STEP 4.
- (5) If you are registering as a **Spare** or **Social** member, these membership types do not have any leagues so you should simply proceed to STEP 4.
