Last Updated: July 1st, 2019

Under the five-rock rule, teams are **not permitted** to eliminate their opponent's rocks that are sitting in the free guard zone until five stones have been played in every end

The free guard zone is the area between the hog line and the tee line, excluding the house. Interpretation: A stone which comes to rest biting or in **front** of the hog line after making contact with a stone in the free guard zone is considered to be in the free guard zone.

BELL RULE

The bell will be ring at 8:40 PM for the 7:00 PM draw. When the bell sounds, teams are to complete the end underway and play no more than one more end

No bell to sound for the 9:15 PM draw but no end is to start after 11:15 PM

An end is deemed to have started once the first rock of the end has crossed the near tee line during a slide
